

## Applewood Smoked Boneless Chicken Breast

Nueske's Applewood Smoked Chicken Breasts are completely boneless, naturally-shaped (flat) breasts permeated with the signature flavor we are famous for: sweet, fragrant Applewood Smoke from glowing embers of pure Wisconsin Applewood. Nueske's traditional slow-smoking process ensures huge flavor in every bite. This juicy, tender chicken is wonderful for adding lean meat with lots of flavor to sandwiches, salads, pasta, entrees, and more.

Nueske's Applewood Smoked Chicken Breasts received the gold "sofi" award from the Specialty Food Association (formerly N.A.S.F.T.) in 2012, in the category of "Outstanding Perishable Foodservice Product".
