

Applewood Smoked Skinless Shankless Ham

Nueske's Applewood Smoked Skinless Shankless Hams are bone-in, hand-trimmed, and slowly smoked in the Nueske family's traditional manner; over glowing embers of genuine Wisconsin Applewood. Our juicy, tender hams are rich, smoky and make a beautiful, classic entree and centerpiece for special meals. Nueske's Hams are fully cooked and ready to warm gently and serve.

These hams are a popular item for retail settings, foodservice, and also are given as memorable business and incentive gifts. Our Applewood Smoked Skinless Shankless Hams are also available as half-hams.
