Applewood Smoked "Fire Toasted" Sliced Beef

Nueske's Applewood Smoked "Fire Toasted" Sliced Beef is smoked patiently over glowing embers of genuine Wisconsin Applewood for an exceptionally long time (48 hours or more). The flavor of this special beef is rich and deeply smoky. Sliced thin, it's enjoyed served on sandwiches, rolled around cream cheese and red onions as an appetizer, used as a unique item on charcuterie plates, or eaten all by itself. A favorite of anyone who tries it!

Nueske's Applewood Smoked "Fire Toasted" Sliced Beef is sliced and packed for retail use. Unsliced pieces of our smoked beef are also available for foodservice and deli, and are 3 lbs. av. wt. per piece. Fully cooked and ready to eat.
