

Corned Beef Hash

Nueske's Corned Beef Hash starts with fresh, lean corned beef that is carefully cured, then tender diced potatoes and spices that are specially selected to bring out the flavor of the beef are added to the recipe. So much better than the standard corned beef hash that you get from a can, our gourmet corned beef hash is a hearty, savory hash that's a perfect match for all kinds of egg preparations and full breakfasts.

Nueske's Corned Beef Hash comes to you, frozen, in 1 lb. chubs that are excellent for retail. We also offer 2 lb. chubs for foodservice (Item #2271).
